# WINTER READING CHALLENGE

Mishawaka-Penn-Harris Public Library

All Ages | All Locations  
January 2 – February 28  
Join our Winter Reading Challenge!

## HOW IT WORKS

Read in your preferred format - audio, digital and physical all count!

Mark the squares as you complete each reading or listening activity.

Titles can be used to complete more than one square.

Complete the **five** squares marked with a snowflake and show your card at a service desk for a small prize.

First day for prize redemption is Monday, January 6.

Want to think outside the box? Swap a challenge square for an alternate. See back for details.

Complete the entire card and return it for a new book from our prize book selections.\*

Limit one reading challenge card redemption per participant.

\*Prize book can be selected from any age group. If a parent/caregiver wants to limit their selection choice, they must accompany the child/teen for book pickup.
